GVC DOMINATES CLASS 'A'

Marlinton Stars Ar

Tackle Jim Irvine and back Ivan Withers, who led Marlinton to the Class A championship, have been awarded berths on the 1967 All-State team.

Irvine was a demon on defense

and Withers provided the running punch as coach Elmer Friel's undefeated Copperheads tripped up Wirt County, 26-0, for the title and an 11-0 mark. Withers scored three times in the championship

game and Irvine rambled 60 yards with an interception.

In addition to Marlinton, other Greenbrier Valley Conference teams landed six berths on the first team to account for eight of the 11 spots. They are standout tackle Jack Dietz of Lewisburg back Eddie Harris of Alderson guard Rich Alderson of Alderson and a trio of players from Meadow Bridge—back Ernie Goddard guard Denver Walker and end Arnold Gwinn.

Wirt County end Mike Goodwin snared the most votes to head the team. Teammate Arlan Moore, a back, also was honored. Bishop Donahue's 215-pound center Dick Kerwood rounds out

Marlinton Football Express Shooting for Fourth in Row

MARLINTON — The Marlinton High football express keeps rolling along.

Latest victims of the defending Class A state champions was Webster Springs, which fell by a 40-6 score last weekend at Webster Springs.

The win was the third straight for coach Elmer Friel's team.

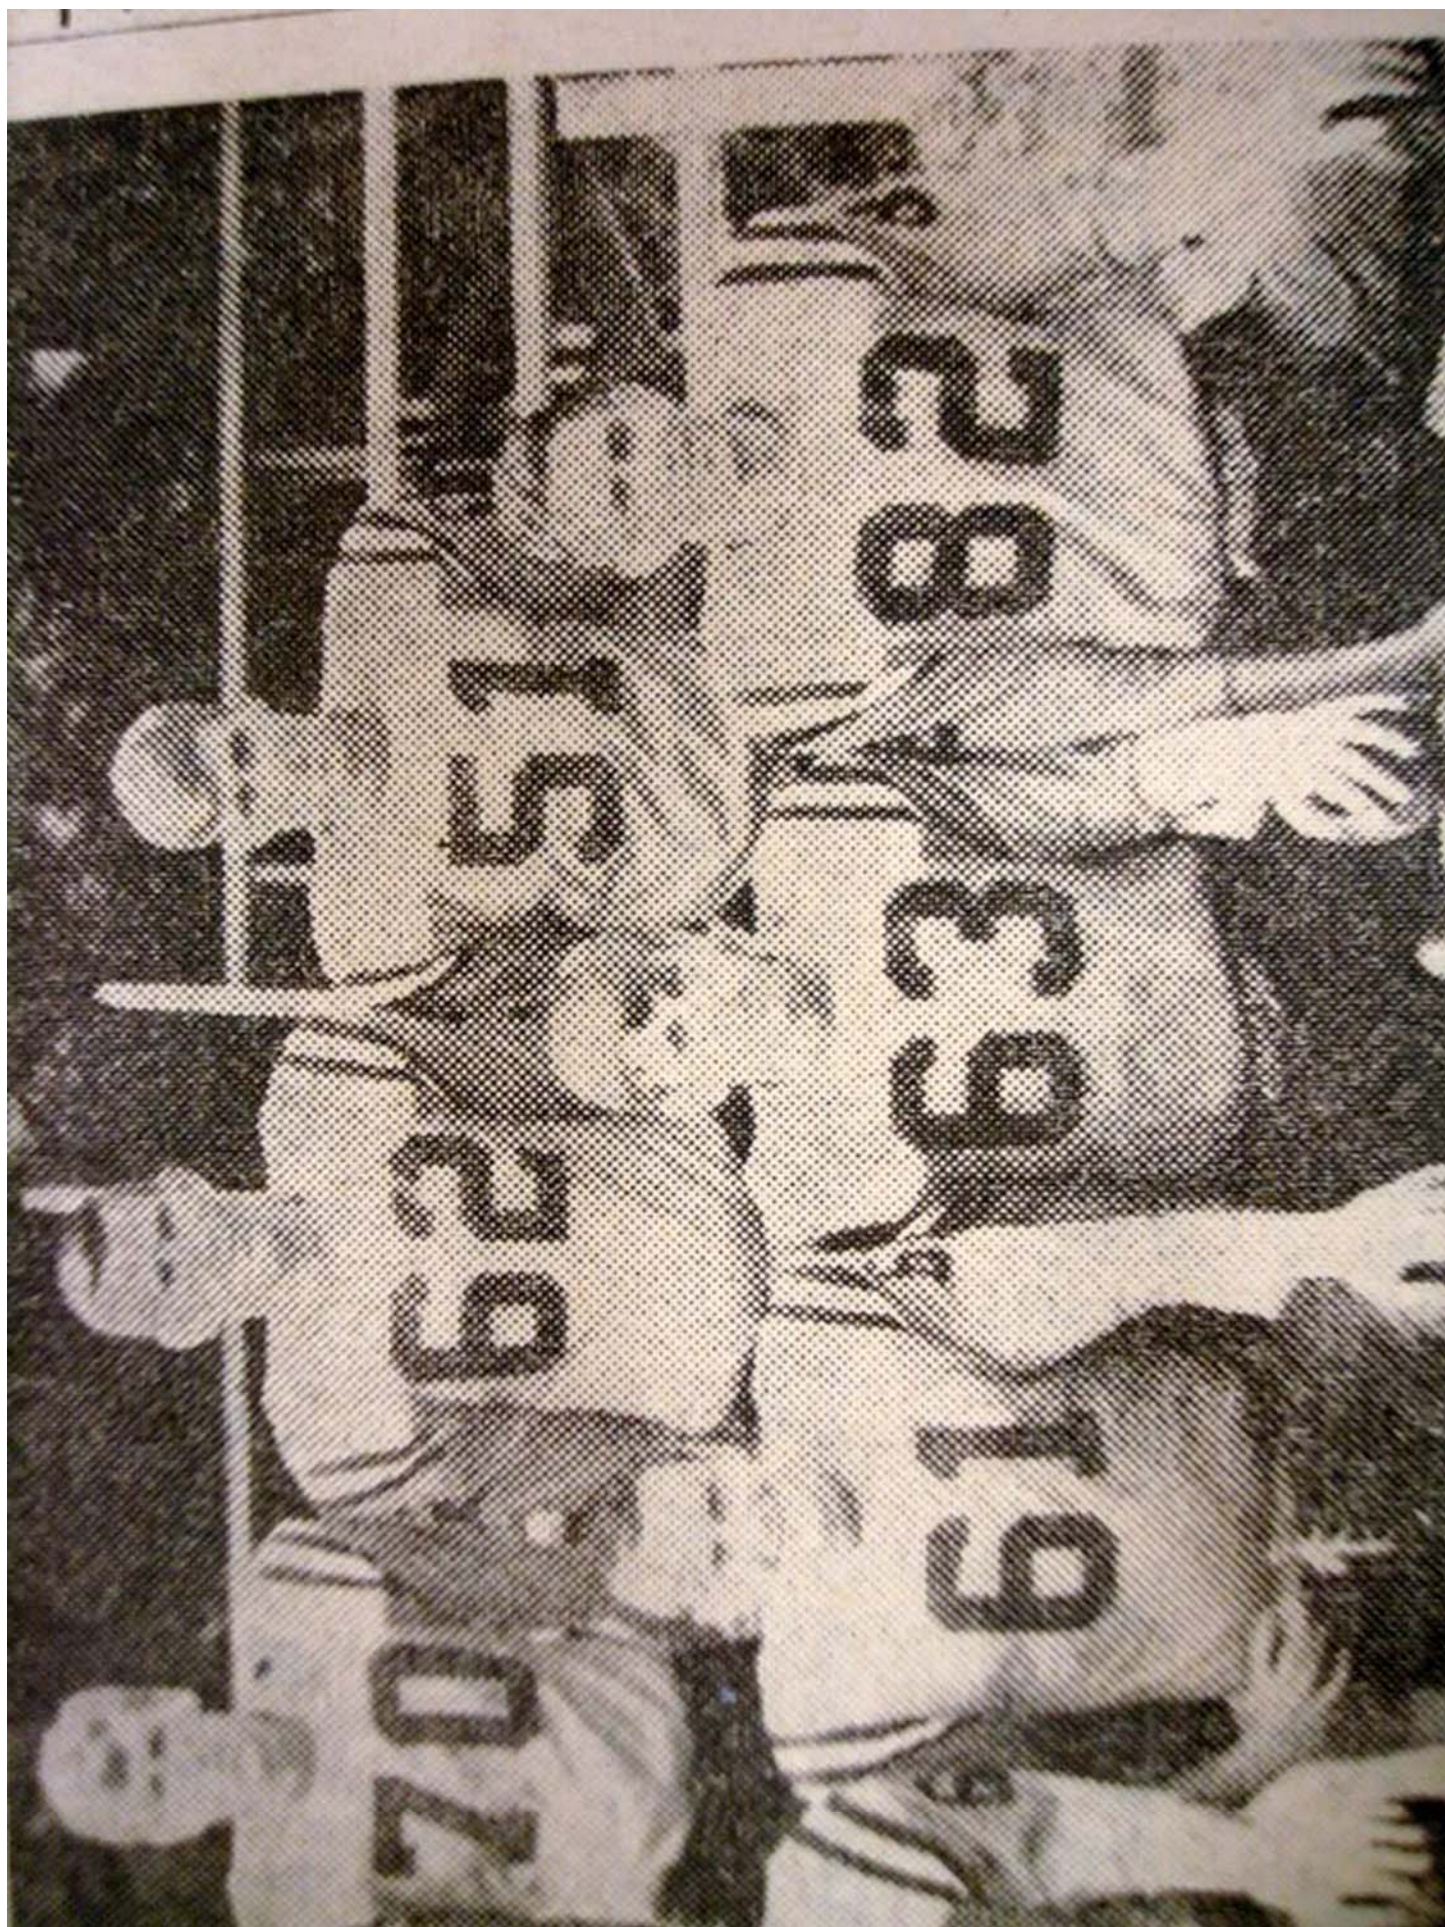

Marlinton entertains Cowen at 7:30 p. m. here Friday, and Friel warns that "we have to play hard every game because everyone wants to beat the defending state champs."

Mike Cain and Ivan Withers were the leading ball carriers for

Marlinton in the win over Webster Springs, gaining 96 and 93 yards, respectively. Teddy Dunbrack added 59 yards. All these boys are holdovers from Marlinton's 1967 championship team.

Marlinton's defensive play was again led by William Corso, who recovered two fumbles and intercepted a lateral and returned it 25 yards for a touchdown. Other defensive standouts were Mike Anderson, Doug Morrison, Charley Friel, Withers, Dunbrack, Cain, Dan Galford, Richard Dean, Tommy Moore and Larry Lacy.

Unbeaten Marlinton Faces Strong Union

MARLINTON — The Marlinton Copperheads were "held" to 40 points last week in a 40-6 victory over Green Bank.

The defending state Class A champions are averaging 48.8 points per game and have reached such astronomical totals as 67 in a single game this season.

Marlinton plays Union here Friday at 7:30 p. m. in search of its sixth straight win.

"Union is probably the strongest team we have on our

schedule," commented coach Elmer Friel of Marlinton.

"They have a big team, including one back over 200 pounds. We will have to give it all we've got this week to stay in the undefeated ranks."

High scorers for Marlinton, individually, are Ivan Withers and Teddy Dunbrack with 64 points each and Mike Cain with 54.

Marlinton's strong defensive team includes Don Galford and Charlie Friel at ends, Tommy

Moore and Dunbrack at tackles, William Corso and Richard Dean at guards, Doug Morrison, Withers and Mike Anderson at linebackers, and Cain and Ronnie Tibbs at halfbacks.

Marlinton Grabs 18th Win in Row

MARLINTON — Marlinton's Copperheads struck for their 18th consecutive victory and sixth this year by smothering Union, 55-12, with its Class A powerhouse Friday night.

Mike Cain started the scoring with a 24-yard run and pass for two more touchdowns for coach Elmer Friel's team. Ivan Withers tallied on jaunts of 80 and 29 yards. Seven different Copperheads shared in the scoring, including Teddy Dunbrack, who gathered in an 11-yard TD pass from Cain and kicked seven points.

Marlinton piled up 304 yards rushing and 141 passing.

Union, now 2-4, got on the scoreboard twice — on Fred Walker's one-yard run and his 65-yard pass to Don Belcher.

Friel singled out Charlie Friel (a cousin), William Corso, Doug Wagner, Withers and Dunbrack for outstanding defensive contributions.

Marlinton Seeks No. 7

MARLINTON — The Marlinton High School Copperheads go after their seventh victory Friday night at home against the visiting Bluefield Park Central team.

Coach Elmer C. Friel's team

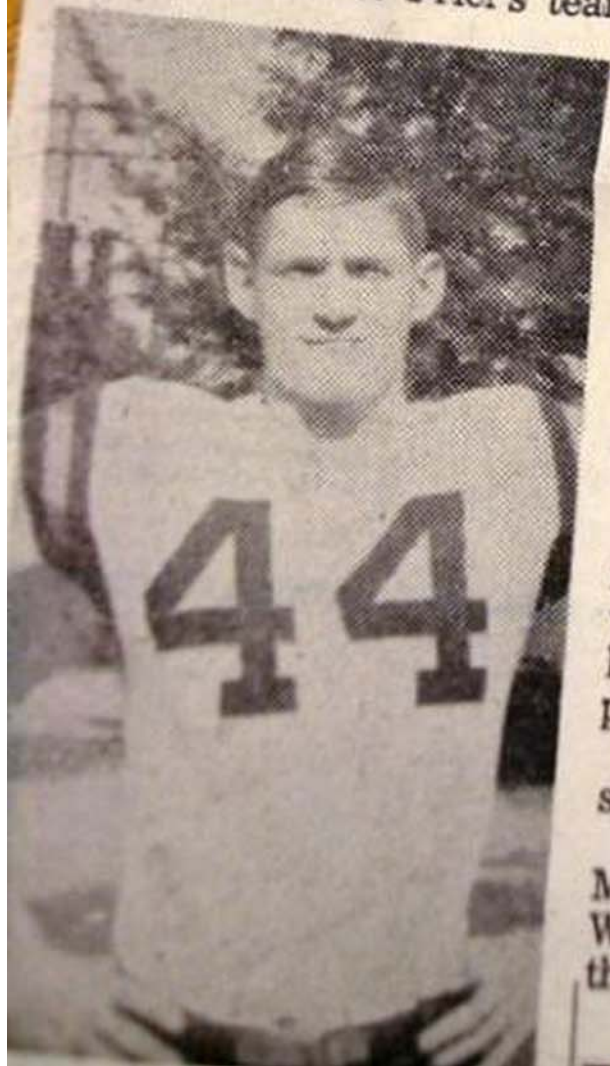

has a fine 6-1 record to date. Marlinton edged Meadow Bridge, 13-12, last week for its sixth victory. Harry McCloud passed for both Copperhead touchdowns, hitting Mike Shaw on a 35-yard play and Robert Dean on a 40-yard play. McCloud also kicked the deciding extra point.

McCloud, a sophomore tailback, now has passed for 10 touchdowns and gained 602 yards through the air in seven games. He also has kicked 15 extra points and passed for three more.

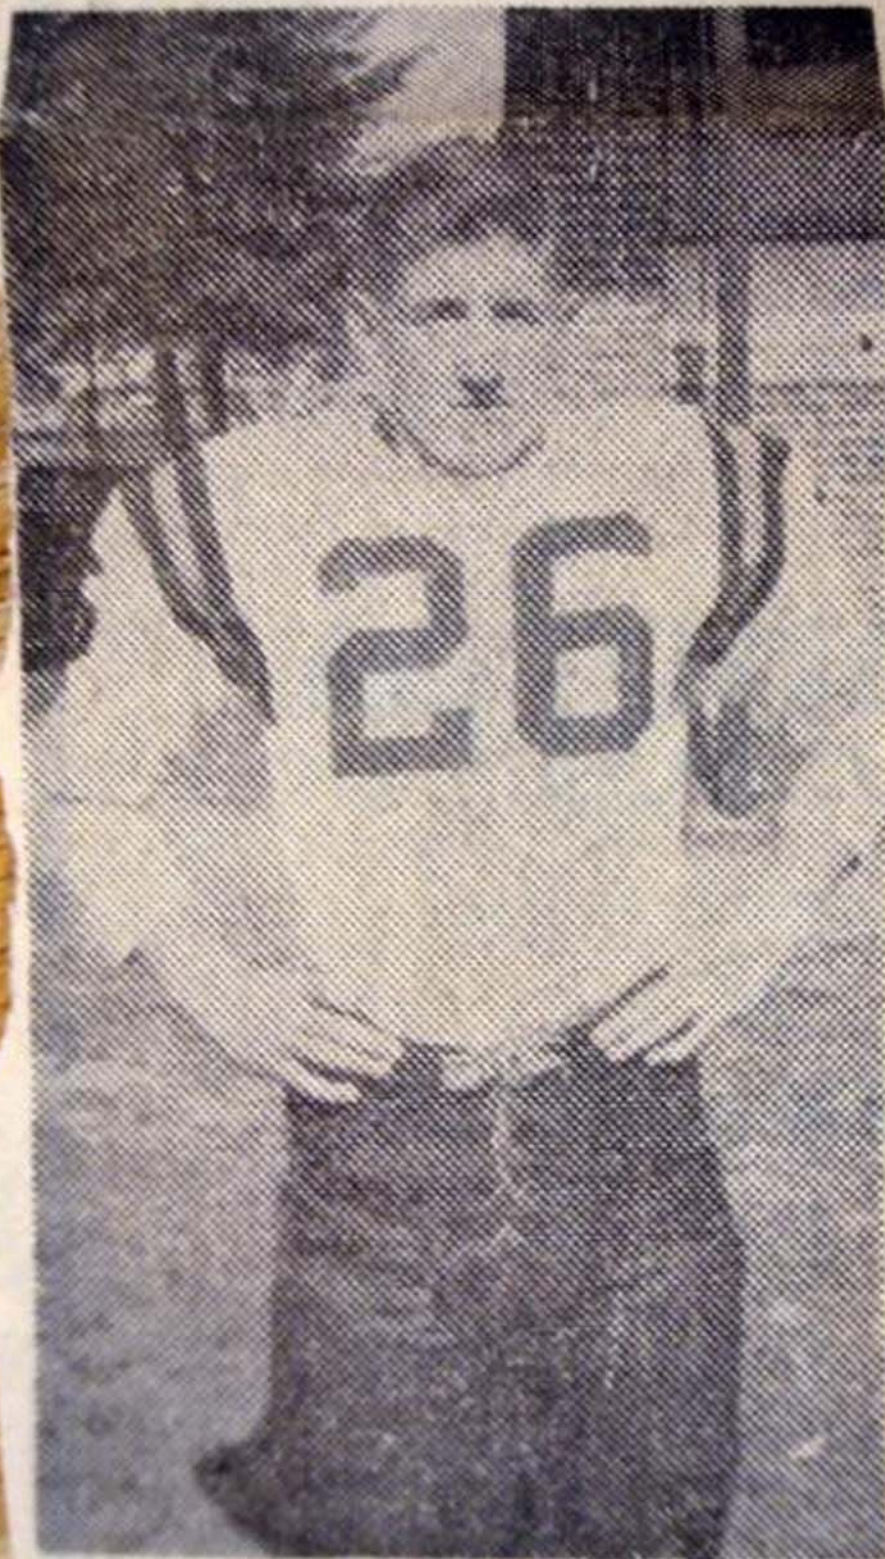

"We hope to have Sonny Simmons back in the lineup this week," coach Friel said. "He has not played defense for the past two games."

"Bluefield Park Central has a strong team," commented Friel.

Regular defensive halfback Mike Cain and linebacker Ivan Withers are other standouts on the strong Marlinton team.

Unbeaten 'AAA' Schools Paced By Defense Units

By KEITH WALTERS
Daily Mail Sports Writer

Monongah football fans can breathe a bit easier now — their team may be considered "small," but it's still winning big.

The Lions from Marion County missed the state Class AA championship by one game last season, losing to Ceredo-Kenova 47-13 in the finals, and they've been reclassified into Class A.

And since that's happened, Class A has not one, but two big winners with Monongah joining small school state champion Marlinton.

MONONGAH CONTINUES to play a tough schedule, but it's 3-0 anyway with victories over Class AAA Fairmont East (39-7), Class AA University of Morgantown (39-0) and Class AA Mannington (58-7).

Meanwhile, state champ Marlinton from Pocahontas County also has rolled up three impressive victories 67-7 over Hillsboro, 48-13 over Franklin and 40-6 over Class AA Webster Springs.

While offense appears to be the forte of those two small school powers, defense appears

to be the prominent force among unbeaten big schools.

Charleston is unscored upon after two games; Parkersburg has yielded only two points in two games; DuPont and Man have yielded only six points in three games, and Bluefield, Buckhannon, Huntington, Triadelphia and Wheeling have

yielded only seven points in three games.

In the division for medium-sized schools, much of the power rests in Wayne County where four schools have a combined record of 10-1-1.

The list is headed by Class AA champion Ceredo-Kenova (3-0), which is followed by Wayne (3-0), Huntington Vinson (2-0-1) and Buffalo (2-1).

Close? You bet. C-K defeated Milton last week, 6-0, and Vinson tied Milton, 12-12, to open the season. C-K and Vinson meet later on in the season, but Wayne and C-K do not.

That could set up a unique situation if they finish unbeaten: C-K vs. Wayne for the county championship and state title to boot.

Marlinton Romps

MARLINTON — Marlinton overwhelmed Meadow Bridge, 59-20, Friday night to ring up its seventh consecutive victory.

Coach Elmer Friel's point-producing machine rolled up a 33-0 margin by halftime and extended its lead to 40-0 before Meadow Bridge scored.

Seven Copperheads shared in the scoring, and the defense was paced by Doug Wagner, Charlie Friel, William Corso, Richard Dean, Mike Anderson and Tom Moore.

Ivan Withers tallied three TDs for the Copperheads — on a 21-yard run, a 13-yard pass from Mike Cain and a 74-yard interception return.

Cain scored once and passed for a pair of touchdowns. Teddy Dunbrack ran across a TD and passed for another and Bubby Barb pulled in a scoring pass from Cain and pitched a TD to Don Galford. John Cain got the other Marlinton TD.

Meadow Bridge's efforts were sparked by Mark Redden and Bill Sims. Redden scored from a yard out and grabbed a 30-yard TD pass from Sims. Sims passed to Andy Gwinn for the other Meadow Bridge TD.

Meadow Bridge gained 145 yards through the air and 115 rushing for a 260 total but was outclassed by Marlinton's 391 output. The Copperheads had 194 passing and 197 running.

Cleats for Sneakers Transition Is Made By Marlinton Team

Marlinton, getting a lot of mileage out of Ivan Withers, Jim Irvine and Harry McCloud—the same trio that led the Copperheads to the Class A football title—ended Bramwell's hopes for a second straight small schools cage crown.

With McCloud scoring 21 points, Irvine 20, Withers 19 and Tom Clutter, another grid-iron hero, 16, Marlinton staked itself to an 82-60 victory Saturday night over the defending Class A cage champion Millionaires in the Region Three final.

Joining Marlinton (22-2) in the Class A field for the 55th state tournament are Barrackville (19-4), Harts (16-7) and Fort Ashby (19-6).

Marlinton and Fort Ashby will meet at 1:30 p. m. Friday and Barrackville and Harts are matched at 7:30 p. m. Friday at the Charleston Civic Center. Out of these two games will come the finalists for the Class A championship, slated at 3 p. m. Saturday.

Harts knocked off once-beaten Winfield and ended a 20-game victory string compiled by the Gens when forward Sonny Frye exploded Saturday night in the Region Four showdown. Frye banged in six straight field goals and seven free throws in a perfect fourth quarter per-

formance worth 19 points in the 70-67 comeback win. He finished with 29 points.

Frye clicked on a three-point play as Harts overhauled Winfield, 68-67, and added another basket to offset a 36-point performance by the Gens' Jim Lett.

BARRACKVILLE weathered a one-man show by gangling Mike Carson of Sistersville, who collected 33 points and 25 rebounds, to notch a 60-55 verdict in Region One. Willie "Jo Jo" Borden and Mike Richardson each scored 21 points for the winners.

Borden, a guard, is Barrackville's top scorer with a 17.0 average. Ron Martin, 6-7 pivotman, follows with a 16.0 mark.

Fort Ashby, led by Bernie Wolford's 24 points, topped Harpers Ferry by 74-54 in Region Two to steam into the tournament. Fort Ashby was beaten in the final game by Gary District in the 1965 tourney played at the Civic Center.

area teams into the playoffs.

CLASS A

One of the finest playoffs ever should take place this year as Marlinton and Monongah seem headed for a showdown to determine which team is the finest in the Class A ranks.

Both teams have an explosive offense and very tough defenses. Both are averaging over 40 points per game on offense, while both are giving up very few points on defense.

It should be an interesting game, but it could turn out to be a game like last year's playoffs when Marlinton completely humiliated previously undefeated Wirt County, another so-called northern power.

BARRACKVILLE had too much height and firepower for Harts, although the Lions from Lincoln County never quit trying.

Jo Jo Bordon (he's got to be good) canned 10 of 17 shots and scored a total of 26 points to lead the winners, followed by 6-7 Ron Martin with 18 points and Butch Smith with 16. The wafer-thin Martin weighed only 160 pounds after losing nine pounds last week during a seige of flu.

Harts stayed in the game for virtually all of the first half, and trailed only 34-28 with three seconds left in the half. Then the Bisons came up with a four-point play to move into a 38-28 halftime lead, as Martin goaled from the side and Smith sank two free throws on the one-and-one — both occurring almost simultaneously.

Barrackville, with Bordon and Martin

Martin taking turns bombing the basket, moved steadily away in the second half. Martin scored nine points and Bordon eight in the third quarter, which ended with the Bisons on top, 60 - 38.

Hustling Jerry Thompson led Harts with 19 points, followed by Ken Adkins with 14. Guard Sonny Frye, one of the Lions' top scorers all season, couldn't find the range and finished with seven points. Thompson starred on defense, breaking up several Barrackville fast breaks.

Barrackville will take a 20-4 record against Marlinton, while Harts ended at 16-8.

"We were sluggish and a little nervous in the first half," said coach Nate Crescenzi of the Bisons. As to the Marlinton meeting, Crescenzi commented that "they're well-balanced, which makes any team tougher to beat, but we have just as good a chance of winning as they do."

Tourney Vet Barrackville Routs Harts

Marlinton, aiming for a sweep of the Class A sports championships this school year, and tourney veteran Barrackville Friday won their way into the small-school basketball title game which will be played at 3 p. m. today at the Civic Center.

Marlinton swamped Fort Ashby, 86-52, in the afternoon semifinal, and Barrackville spoiled the first state tournament appearance of Harts in the evening semifinal, 78-58.

Barrackville has won two state cage titles out of nine tourney appearances, while Marlinton has appeared in only one previous tourney — back in 1931.

Marlinton, which practices in its home gym, plays its home games at Hillsboro and attends classes at various places in the Pocahontas County town because of a school building fire last year, found a home Friday at the Civic Center.

Marlinton won the 1967 Class A football crown and a victory today would give the Copperheads a clean sweep of the two major sports titles in the same school year.

Elmer Friel Has New Profession

Among his other talents, Elmer Friel, successful coach at Marlinton High School, has taken up writing. He has just had an article published in the Coaching Clinic magazine for August.

I don't think he will stay with the writing profession seriously and if he chooses to do so and is as good in this as he is in coaching football, I'd better watch what I'm doing.

Friel, who has amassed an incredible 58-18-3 record while at Marlinton and capped that with the state single-A football championship last year after going through a 10-0 season, wrote an article called High School Single-Wing Synopsis.

The enlightening story tells why he has been so successful in his many years at the reins of Marlinton.

One of the factors he stresses most is playing the same offense in junior high school as in high school.

"The single-wing is a hard offense to learn but can be picked up by watching college and professional football on television," said the task-master.

Friel, an outstanding player himself in high school and college, places most emphasis on fundamentals. He believes a player must know his assignments before trying to run plays.

Teaching blocking and tackling is one of the most stressed phases of practice along with work on his kicking game.

Most of his teachings have apparently payed off. Marlinton will be looking for their 17th consecutive victory Friday night.

His kicking work has also turned out to be beneficial. Teddy Dunbrack has booted two field goals this season for the Copperheads and does most of the extra point kicking.

Scoring seems to be one of the best assets of Marlinton, however.

Three of their backs have scored over 60 points in games thus far in the season. Mike Cain has notched 61, Ivan Withers has scored 62 and Teddy Dunbrack has accounted for 65.

These boys should stand high in the state scoring race when the first statistics are released sometime this week.

I'd better watch what I'm doing.
